(Best Practices of 2022-23)

1. **Preserving Local Culture:** The College has been preserving the "Vadu Song and the enriched Vadra Culture" since the 2018-19 academic session. Vadu is a local song of Purulia and the surrounding districts of West Bengal originated in the royal premises of Kashipur where the college is situated right now. The college is offering a Diploma Course on Vadu with 25 seats approved by the Sidho-Kanho-Birsha University.

2. **Mentor-Mentee Program:** Various departments have organized Mentor Mentee programs for the students during this academic session. This program helps students to prepare for online presentation skills and enrich their knowledge from the discussion.

3. **Hybrid Mode of Education:** As a part of the inception of the NEP 2020 which will be implemented from the 2023-24 session, the college authority prioritizes education for local students and for this both online and offline modes of teaching and learning have been conducted throughout the 2022-23 academic session.

4. **COVID Helpdesk:** Kashipur M. M. Mahavidyalaya has formed a COVID Helpdesk with local teachers, non-teaching staff, and students who are all active in this. With the help of NSS (Unit I and Unit II), from the COVID Help Desk, the College has helped local people suffering from the coronavirus pandemic during 2020-21. In two adopted villages of the college, Rangiladih, and Gopalchowk, in Bathanbari, Kolloli is the area of Kashipur Block, COVID Helpdesk worked during the pandemic.
